Dear Sir

As President of the Bangalore Compositors' Association, I beg to send you herewith, in original, a letter received from the Press Work Compositors of the Govt. Press complaining about the hard work and explain their present position in the matter of the Association is proposed to help them a little but it will not be of much avail as the lot of Press work compositors in the Govt. Press is doomed under the present system as contemplated in the new scheme

Unless and until the Press work system is altogether done away with, the Association fears the condition of these poor workers will never be bettered
